UNILATERAL ADMINISTRATIVE  
ORDER FOR REMOVAL RESPONSE  
ACTION

U.S. EPA Region 10  
Docket No. CERCLA-10-2012-0120

Proceeding Under Section 106(a) of the  
Comprehensive Environmental Response,  
Compensation, and Liability Act, 42 U.S.C.  
§ 9606(a); and Section 7003(a) of the  
Resource Conservation and Recovery Act,  
42 U.S.C. § 6973(a).

**REVISION TWO**

The United States Environmental Protection Agency ("EPA") issued the *Unilateral Administrative Order for Removal Response Action* ("Order") in this matter to the above-named Respondents on April 12, 2012. For good cause shown, EPA issued *Revision One* to the Order on May 1, 2012, thereby extending the Effective Date of the Order to May 18, 2012. EPA and Respondents are currently in the process of preparing an agreement which, if consummated, would obligate Respondents to provide funding for EPA to undertake certain response actions otherwise required to be performed by Respondents under the Order. A limited amount of additional time will permit EPA and Respondents to either conclude or forbear from entering into such an agreement. To allow for this time, the Effective Date of the Order is hereby extended to May 25, 2012. All other provisions of the Order shall remain in effect as stated therein or otherwise modified by *Revision One*.
